

Helicon 3.0

4BD / 2BA 2280 SQ FT

Never compromise. Never settle. The Helicon takes luxury living to the next level with innovative custom features you never knew you needed, until now. The metal roof adds confidence when those North Dakota winds start blowing, then step inside and experience a gourmet kitchen and spa-inspired bath designed to impress. The Helicon isn't just another home. It's an upgrade in how you live.
